

# Viela VIPs Patient Support Programs

Viela VIPs offers support at every step of the treatment journey. The Viela VIPs team can help with enrollment in financial assistance programs, if eligible, or refer you to independent charitable foundations.

## Co-Pay Assistance Program

The Co-Pay Assistance Program may help eligible individuals who are prescribed treatment with a medicine from Viela Bio. The program helps with drug related out-of-pocket expenses such as co-pays and co-insurance.

### Eligibility Requirements

- Prescribed treatment for the FDA-approved indication only
- Commercially insured
- Resident of the United States or U.S. territories
- Under the care of a licensed U.S. or U.S. territory physician
- Payer approval for the treatment

## Patient Assistance Program

The Patient Assistance Program may help individuals who do not have health insurance or have insufficient coverage. Individuals who meet eligibility requirements may be able to receive medication at no cost for up to one (1) year.

### Eligibility Requirements

- Prescribed a medication available from Viela Bio
- Prescribed treatment for the FDA-approved indication only
- Meet income eligibility requirements
- Do not have insurance or the medicine is not covered by the insurance plan
- Resident of the United States or U.S. territories
- Under the care of a licensed U.S. or U.S. territory physician

# Viela VIPs Patient Support Programs

## Charitable Foundation Support

Charitable foundations are independently operated organizations created to assist patients with out-of-pocket costs associated with disease specific treatment and support services. Patients may be eligible for assistance regardless of insurance type. These foundations establish the funds and the criteria for enrollment.

**For more information about these patient support programs,  
please contact Viela VIPs at 1-833-ViB-ViPs (1-833-842-8477).**

Viela Bio reserves the right to make eligibility decisions, set program maximums, and rescind, revoke, or amend the Co-Pay Assistance Program and Patient Assistance Program without notice.
